

FOR MY *galentine*

REASONS I LIKE YOU:

- you're funny
- we wear the same size shoe
- you listen to my problems
- your good side is opposite mine
- you always bring wine

I HOPE YOU HAVE:

- a great day
- an encounter with a puppy today
- a glass of wine tonight
- great lighting for your next selfie
- a donut and don't feel bad about it

WANNA GO:

- grab a coffee?
- have champagne and gossip?
- get our nails done?
- try a new workout class?
- shop for things we don't need?

YOU DESERVE:

- me as a friend
- happiness
- a day when calories don't count
- anything you want
- a swimming pool full of rosé

OUR FRIENDSHIP MEANS MORE TO ME THAN:

- pizza and wine
- anyone in the world
- my Gucci bag
- all of the above
